The Rev. Mr. BRYANT.—The No. Louis publication, from his Cairo correspondent, has the following:

"I understand that the Louisville and Memphis parks will claim to carry the mail from Cairo south, on the same day as the St. Louis and Memphis parks."

The postmasters at Cairo and Paducah, and the like, doubt that the services between Cairo and Memphis is sufficient at present, and there are now two weekly mails between Cairo and Smithland, and a daily mail between Cairo and Paducah, which afford abundant mail facilities in the direction. The Nashville and Memphis mail always was a business—never being care-

ful, then not having; and it would be an act of great injustice to the St. Louis and Memphis parks, who have carried the mail during all seasons of the year, if they should be thus interfered with. The postmasters at Cairo and Paducah, and the like, doubt that the services will be so much as to require any other than a weekly mail.

The Rev. Mr. BRYANT.—The official list of letters remaining in the Memphis Post Office, will be found in this morning's paper.

The Rev. Mr. BRYANT.—On this morning, at 10 A. M., at the First Presbyterian Church on Poplar Street,

Dr. J. H. WHEAT, Rev. Dr. WHEAT, and Dr. C. H. COOPER, will preach in Calvary Church at 11 o'clock this morning, and at 7 o'clock this evening.

THURSDAY.—For late papers we thank Col. G. SOUTHERN of the steamer Nebraska.

SENATOR JONES, of Arkansas, arrived in the city last night, en route for Washington City.

THE WEATHER.—An appeal of a modicum and misery we are having a pleasant time of blue skies, sunshines and agreeable temperature. "Long may it last."

GUTTERS.—The attention of the proper officials is directed to the gutter, this side the bayou in Van street, it is being ground to pieces by wagon driving upon it.

COTTON SALES.—The flourishing firm of HILL & HAYLEY yesterday sold a crop of cotton of forty-six bales, at the liberal price of 12 cents.

A QUIK TIP.—AUCHER, of the Southerner, informs us that their trip to this city, where they arrived yesterday, was made from Louis ville in forty-eight hours.

CAINIAN COURT.—THIS Court, after the transaction of some formal business yesterday, made its final adjournment for this term, after a week's session. The trial term commences on the 14th of February.

THE ATTORNEY.—The attorney was some hours before he left, last evening, with a number of his clients, and, with six hundred passengers.

RHOE'S COVEN.—Major RHOE had but two cases before him yesterday, and they, like Jacob's few years—were full of trouble, and the trouble was not decreased when sentences of fine and chain-gang were impartially dealt out.

We had the pleasure of a visit yesterday from our gallant and distinguished friend, Gen. ALEXANDER B. BROWARD, of Mississippi, who has the appearance of being in prime health, and we may add in the prime of life.

CATION.—There are some local leaders here who are doing their best to bring the trials to a close, and the trials will do well to look to Memphis.

THE STARS.—The platoons of the Arkansas river are looking to Memphis for their market much more than they can get the right sort of men after a week or more have failed to come in.

RIVER NEWS.—The attention of the proper officials is directed to the gutter, this side the bayou in Van street, it is being ground to pieces by wagon driving upon it.

HILL & HAYLEY yesterday sold a crop of cotton of forty-six bales, at the liberal price of 12 cents.

A QUIK TIP.—AUCHER, of the Southerner, informs us that their trip to this city, where they arrived yesterday, was made from Louis ville in forty-eight hours.

THE RIVER.—The graveling of Monroe street, between the bluffs, is a failure, miniature hills and valleys, varied with profound cuts, are the prominent features—next the mud, and the mud was impartially dealt out.
